NEW: Fina's Healthy Resolutions

So, we're a few weeks into January and, let me guess - you're already struggling to keep your resolution to eat healthier. It can be tough, but like building a business, healthy meal-planning requires a good foundation. Start by stocking a healthy pantry. Together with fresh produce, nutrient-rich pantry ingredients help make delicious dishes that are not only good for you but also brimming with flavour. And when a pantry is well stocked, whipping up a meal is so much easier. These are some of my pantry essentials:

- Whole grains like farro, barley, brown rice and oats
- Whole-grain flours and pastas (spelt is one of my favourites)
- Dried beans/legumes (great for soups, salads and stuffing)
- Vegetables (canned/preserved/dried)
- Canned fish (water-packed tuna is so versatile and rich in nutrients)
- Reduced-sodium broths
- Extra-virgin olive oil
- Nuts (almonds, walnuts, pistachios, pine nuts).

Fina Scropo is author of the new cookbook *The Healthy Italian: Cooking for the Love of Food and Family*. For more tips and recipes, visit www.thehealthyitalian.ca.

RE-CAP OF PAST EVENTS

Thank you Alice Fazooli's & WorkWELLER Networking After Hours

On Thursday, January 9th we held our first networking event of the year. The Networking AfterHours at Alice Fazooli's, with the presentation Vision or Hallucination by WorkWELLER, was a great success with over 40 people in attendance. The winners of the door prizes were Mark Awad of BB Blanc, Gino Pincente of Be Safe Tire & Auto Service and Kice Soroor of ADP. Guests enjoyed appetizers provided by Alice Fazooli's. Thank you to WorkWELLER for the session, it was very concise and informative!
