**CLIMB 2 EDUCATE**

Climb Mt.Kilimanjaro | Support the efforts of AIM for Seva | Help educate children

July 6, 2010.

Dear Friends,

This coming December 2010 Rose and I will endeavour to climb Mt. Kilimanjaro in Tanzania in order for us raise funds for AIM for Seva. We will undertake this 5-day challenge of climbing to the peak of the highest mountain on the African Continent.

All proceeds from this fund raising will go towards building a hostel for under-privileged children in a village in India. These funds will also support the continuing education of almost 100 children for an entire year.

I hope that you'll share this incredible adventure with us by supporting us in our fundraising efforts. I can continue to talk about AIM for Seva and how much good work the volunteers of this incredible Canadian charitable organization do for children in India, but I'll let you peruse through the attached websites and help us help these children. I realize that it sounds like a cliché but really – every dollar counts.

**Thank you in advance for your generosity! Tax receipts will be issued by AIM for Seva in accordance with CRA regulations.**
