

is pleased to present....

Vision 2026: Sustainability Progress Report 2009

This report highlights our progress in strengthening sustainability in our communities.

Higher standards for our new communities.

265,000 trees and shrubs were planted between 2007 and 2009 with the support of Regional Greening dollars.

92% of the YRT/Viva fleet is accessible for people with disabilities.

Waste diversion across the Region has increased to an estimated 57%.
